NEW CROSS ON THE HORIZION

While it's still a "work in progress," worshipers were grateful Sunday to get a "first glimpse" of the "new cross on the horizon" near the sign at The Church at Lake Cherokee. Visible from the west as far away as Silvey Bridge and from the east at the intersection of FM 2011 and 1716, the cross is the gift of **David Clark**.

David, in conversation with family and friends, dreamed and designed the cross as a gift to the church. He's grateful for the help of a "cast of ...well many"... who helped get the cross erected near the church sign on FM 2011. As anyone gets acquainted with David, you'll discover that he has "an eye" for things of beauty.

Another work and gift to the church is the cross in the entrance to the church which has been adopted as the church logo and is seen, among other places, on the mask of "Keeping In Touch."

Thanks to David, Patty, his family and many, many helpful members and helpers, the cross stands erect and lighted near the church. In the weeks ahead landscaping will be completed and a service of dedication will be planned.

SEPTEMBER IS "NAME TAG MONTH"

Thank you for your "accommodating spirit." Almost everyone in church Sunday wore a name tag. We are so grateful that recently we've had a lot of new faces becoming "a part of us" in worship and fellowship. One of the best ways to get to know one another is by the use of name tags.

Jeanne Irwin has graciously agreed to make new names tags for anyone new and anyone who's been around a while but has misplaced yours. During worship, we're circulating a list on which you can request a new tag.

The name tag "stand" is at the entrance to the church. Located near the entrance of the church and Maxwell Hall are baskets where participants can place your name tag after worship or fellowship to have it placed on the stand for use in the future.
