Time to
Spring Ahead

Before You Go to Bed Saturday

Set your Clocks *Forward* One Hour

It seems to “slip up” on us; but at the same time, we anticipate “spring time change.” Set your clocks **FORWARD** one hour before you go to bed Saturday night!

The change to daylight savings time is the **PERFECT TIME** to change the battery in your home smoke detector. The men (and women) of Mission Possible offer **anyone who needs to have a smoke detector battery tested or changed to call Dave Clark, 903-643-2833; Bill Smythe, 903-643-7238 or Ray Eustace 903-643-8227. These guys WILL SEE THAT YOU GET HELP. Play it safe!**
